Athletic Handbook

2017 – 2018

Covenant Philosophy of Athletics

Covenant is committed to providing not only a competitive sports program to its students, families, and fans; but also one that fosters Christ-like character among our student-athletes in addition to athletic abilities.

Many circumstances arise in preparation for and during athletic competition that offers opportunities for God's principles to be applied and it is our goal to see students exemplify Christ-likeness in everything they do. Our dedicated coaches help young people relate victories and defeats, as well as the principles of hard work and teamwork to their daily walk with the Lord.

One of the guiding principles for the Covenant Athletic Department can be found in **Colossians 3:23-24**: *“And whatever you do, do it heartily, as to the Lord and not to men, knowing that from the Lord you will receive the reward of the inheritance, for you serve the Lord Jesus Christ.”*

All policies and procedures that are defined by the Athletic Department are done so with the intent of teaching and instilling Christ-like qualities in the student-athletes for them to put into use in their daily lives. Our athletic handbook also provides a way to maintain consistency throughout our athletic program and to set forth the standards by which we expect our athletes to adhere. We require that parents, as well as student-athletes, take time to read this handbook so each can properly support Covenant and its Athletic Department. Whatever we do, we want to do it well.

Athletic Goals and Expectations

There are five goals that Covenant strives to instill into each of its student-athletes. They are:

1. Develop Christ-like character in each student-athlete. - *Galatians 5:22*
2. Teach intensity, diligence, dependability, and self-control. - *Philippians 4:13*
3. Teach submission to authority on and off the field or court. - *Hebrews 13:17*
4. Develop Christian leaders that can be examples for the entire student body to respect and follow. - *Hebrews 13:7*
5. Teach the Biblical definition of winning and how to make it a lifestyle. – *Colossians 3:23, I Corinthians 9:24*

Athletes' Code of Conduct

The student who chooses to participate in the athletic program will be observed by many public and private schools, media, parents, guests, peers, teachers, and the public at large. Participating in athletics provides the opportunity to demonstrate one's desire to reflect Christ-like virtues in sportsmanship and in performance. In that regard, each Covenant student-athlete will be held to the following code of conduct:

1. After an athlete receives a suspension from school, the student will be suspended from his/her team for the next game. Further action will be at the discretion of the principal and/or athletic director.
2. A suspended athlete may participate in tryouts for a team, but may not actively participate in games until he has served a probationary period.
3. The use of profanity will not be tolerated. The use of profanity on or off the field may result in additional conditioning, a loss in playing time, or another form of punishment as agreed upon by the coach and athletic director.

4. Fighting during athletic events will result in a minimum two-game suspension. More severe discipline action may be enacted depending upon the circumstances.
5. Athletes are to be good representatives of Christ and Covenant on road trips. Failure to do so may result in suspension or dismissal from the team.
6. Covenant does not condone and will not tolerate "hazing" or "initiations" of athletes by other athletes. Any such actions will result in suspension and/or dismissal from the athletic team.
7. Any student-athlete that is ejected from a game will be suspended for the next game. If the student-athlete receives a second ejection, he/she will be suspended for two games. A third ejection will result in dismissal from the team.

Note: Covenant is committed to develop its Athletic Department through the addition of both middle school and high school sports as the school continues to grow, and the facilities and funds are available.

Athletic Associations

Our high school athletes compete in the Texas Association of Private and Parochial Schools (TAPPS) 1A level of competition. TAPPS is a statewide program that is governed by a Board of Directors. They form the rules, regulations, districts, and levels of competition that we adhere to.

Team Formation

For the Covenant Athletic Department, it is important that all desiring student-athletes have the opportunity to participate in the athletic programs that we have available. With that in mind, we do not cut students in a tryout process; instead, we will form the number of necessary teams that aligns with our student interest for any program that is offered. Student-athletes must keep in mind that as they represent our school, they must possess the proper character, attitude, and passion for the game, to go along with the commitment, time availability, energy, and academic standing to compete at this level.

Middle School Team Formation

We view the middle school years as an excellent time for our students to gain the necessary athletic experience that will prepare them to be a contributing factor on our varsity and junior varsity teams. At this level, every athlete will have the opportunity to gain in-game experience during each game/match. This does not mean playing time is equal, but it does mean every athlete will have the ability to improve their in-game competition skills.

High School Team Selection

High school teams are obviously more competitive, and thus more selective, than that of middle school teams. Many factors go into the selection of a team. Each Covenant varsity coaching staff is allowed to set the size of their team roster, with remaining athletes forming a JV team. All final rosters will be shown to the athletic director for approval before any official postings or announcements can be made.

Players may play on both teams if it is necessary to do so in order to form the junior varsity team. However, a player who starts for the varsity team may not play for the junior varsity team on the same day. Also, any player who plays on both teams is limited in the total number of games that he or she can play in during the season (per TAPPS handbook).

Previous Athletic Participation

Students who participated in a sport in either sub-varsity (i.e. JV) or varsity in the 9th grade through 12 grades during the current or previous school year at another school MUST have the Previous Athletic Participation Transfer Form completed and returned to FA. The form must be completed and returned BEFORE they are eligible to participate at the JV or varsity level. A Previous Athletic Participation form is also available at www.tapps.biz. Click on Forms; scroll down to Required Forms, Click on Transfer Form. The Previous Athletic Participation must be turned in to the Athletic Director once all necessary signatures have been obtained.

Quitting a Team

We believe that character is never formed by quitting. Responsibility, integrity, loyalty, and honoring commitments are all attributes that we wish to instill in our athletes. We also believe that students and parents need to realize that participating on an athletic team, whether in middle school or high school, is

going to require some effort and sacrifice of time and resources. When a student decides that they want to play on a team and begin a season they are making a commitment to that team.

If after the season begins the student-athlete decides that he/she wishes to quit the team, he/she needs to realize that it is hurting the team by not honoring the commitment that was made when the season began. We feel that a student-athlete needs to take seriously the decision to play for a team, and if he/she makes that choice then everything needs to be done in his/her power to honor that decision.

A student-athlete may drop off the team any time before the first game without penalty. After that period of time no student-athlete may quit the team without penalty. There should be a strong sense of belonging to the team even when personal injuries would restrict the individual's participation in practices and games. An injured player is expected to be at all practices and games as if he or she were healthy, unless other approval is received from his or her coach.

Any student-athlete who quits a team after the first game will lose all athletic eligibility for one year. For example, if a female student-athlete quits during basketball season, she will not be eligible to play any sports until the start of basketball season the next year. A student-athlete who quits will be removed from the final team roster and forfeit any post-season rewards such as team pictures, letters, awards, etc.

Exceptions to this rule would be for family hardships, severe injury, or serious academic problems. The athletic director and head of school will decide any exceptions.

Multiple Sports and Activities

We encourage athletes to be well rounded, participating in different activities both athletically and otherwise. Different sports challenge athletes in different ways, and the skills developed through the training methods used in one sport will often help the athlete in another sport. Additionally, the disciplines and work ethic required in fine arts is similar to those in athletics. When student-athletes do participate in multiple sports, good, open communication between the student-athlete, his/her parents, and the two coaches involved are tantamount and a priority will be declared in case of scheduling conflicts and agreed upon by the coaches.

Regarding multiple activity participation on school teams, student-athletes may participate in a non-athletic department (i.e. fine arts) program and on an athletic team at the same time. Leadership from both activities will work closely together to minimize conflict; however, there will be times when a family will have to choose between two competing commitments. Where there is dual commitment and schedule conflict, there must be a declared priority and agreements made between student, parents and team or department leadership before the season begins as to how the student will divide his/her time between the activities. The decision to participate in multiple sports or multiple activities should ultimately be decided by the parents and student.

If students are participating on a team outside of school while also participating on a school team, the school team has priority over the outside teams. This includes practice and games.

Playing Time

Covenant's goal is to provide a competitive athletic program. Coaches determine playing time based upon various factors. These include a student's athletic skill, attitude, character, work-ethic, performance in practice, and "in-game" needs. Our goal is for all players to gain in-game experience,

but playing time is not equal for all athletes on a given team. Participating on any Covenant team, and more specifically playing in games, should always be considered a privilege and not a right. Student athletes who have questions regarding playing time should visit with their coaches to discuss what they can do to earn more playing time.

Positions/Events

Each of Covenant's coaches are given the charge to field the most competitive team possible based on the members of the team. Therefore they have the freedom to place athletes in positions/events that he or she feels is best for the team. Student-athletes are expected to give their best at that position/event assigned barring any physical injury that prohibits them from participating.

Injuries

We understand that injuries are a part of playing sports and that at times an injury may preclude an athlete from competing in practices/games. If an athlete has an injury that keeps them from competing, a parent note will be accepted for the first two days. After two days a doctor's note will be required as severe injuries must be dealt with medically to ensure the health of our athletes. Student-athletes and parents must also understand that missed practice time may or may not result in diminished playing time in a game. That is up to the discretion of the team's coach.

Practices for Junior High Teams

Most team practices for our junior high teams will be held either immediately before or after school. Some practice time may also take place during their PE period. Coaches may call additional practice time as needed (and facilities permit), but sufficient notice will be given to both the student-athletes and parents.

Practices for High School Teams

Practices for our high school teams will be held before or after school hours. Most practices will begin after school around 3:30 and last anywhere from 1-3 hours. As our buildings are multi-use facilities, there will be times when gym availability (or a coach's schedule) could warrant practices before school, later in the day (i.e. 5:30-7:30 p.m.), or on Saturday. These are possibilities that should be considered by both students and their parents before committing to play for a team.

Practice Attendance by Parents

Practices are closed for parents to observe. As it is the coach's responsibility to lead and instruct the team, parents are asked to refrain from interfering with practice by "coaching" from the stands or interacting with the student-athletes. This is to minimize confusion as to who is given our student-athletes instruction.

Game and Practice Attendance Requirements

Once any student-athlete has joined a team, he/she has committed attention and attendance to that team until the last game/meet is completed. Players must be at every practice or game unless excused for one of the following reasons: 1) doctor or dental appointment, 2) personal sickness, 3) death in the family, 4) previously scheduled church commitment. Student-athletes and/or their parents are responsible for

communicating **ANY ABSENCE** to their coach before the practice or game, unless there is an unexpected emergency.

Covenant is supportive of its student-athletes being involved in their local church/youth group. We would never schedule a game on Wednesday or a practice or game on Sunday that would interfere with a regularly scheduled worship service. We encourage our families to be actively involved in the local church, however, any athlete who misses a practice or game may have to make up practice activities (i.e. conditioning) and face the team's policy for reduction in playing time. This is not meant as punishment for an excusable absence, but a reward and incentive to those team members who were present.

A team member who must miss a practice or game may return to their former status as soon as they have fulfilled the team's policy for absences. Each coach will announce their discipline procedure for missed practices or games. Multiple unexcused absences may result in dismissal from the team. All athletes must also be on time to all practices and games. Coaches will also announce their own discipline procedures for tardiness.

Physical Exams

Students participating in the athletic program will be required to have a current physical exam performed by a doctor prior to the first practice of the season each academic year. Without a physical form on file in the office, a student will be considered ineligible to participate in competition. Any physical performed within the past 12 months will be accepted and will be in effect for one year. A copy of the TAPPS Medical Form can be received from the athletic director. This form is available at www.tapps.biz click on Forms, and it is labeled Pre-participation Physical Examination form.

Eligibility

Students who participate in co-curricular activities are responsible to keep up with their school assignments. The following guidelines meet or exceed all TAPPS requirements for extracurricular activity eligibility.

The Covenant Preparatory School operates under a "no pass, no play" policy. Eligibility grade checks will take place three times a year to determine each student's eligibility for co-curricular activities. Those times are as follows:

- Nine-weeks after the start of the first semester (Friday, October 20th, 2017)
- The semester break (Tuesday, January 16th, 2017)
- Nine-weeks after the start of the second semester (Friday, March 19th, 2017)

At the time grades are checked, any student with one or more F's will be deemed ineligible for three weeks beginning at 3:15pm on the day grades are checked. In order to regain eligibility, grades will be checked at 3:15 pm on the day the ineligible period is complete. If at that time the student is no longer failing any classes, he/she will regain his/her eligibility. If at that time they are still failing one or more class, another period of ineligibility will begin and grades will again be checked at the appropriate time: in one week for one F, and two weeks for two or more F's. This applies to all athletic teams, musical performances, and other co-curricular activities.

Student-athletes are required to continuing practicing with their team during their time of ineligibility. Students who are ineligible will not be permitted to travel with the team for out of town games.

Progress reports have no direct impact on eligibility as progress reports are mainly intended to keep students on course and inform parents of areas that need attention.

Sponsors, teachers, coaches, and parents are encouraged to keep current regarding their students' grades so that students will be continually encouraged to make their academics a priority. Keeping current will also help sponsors, teachers, and coaches plan for necessary adjustments in their program or team should students become ineligible.

While Covenant views athletics as an integral and necessary part of a student's overall education, we also feel strongly that it is a privilege earned and maintained by thorough and diligent attention given to respect and responsibility in the academic areas.

In order for a student-athlete to participate on any given day in a team's practice, he/she must be in the classroom for at least half the school day. In order to participate in a game, he/she must be at school by the start of 2nd period and be in attendance the rest of the school day. Exception: A student who has a doctor, dentist, or orthodontist appointment must return to school before 3:00 pm and sign back in at the school office with a doctor's note verifying the appointment. Any other exceptions must have prior approval from the athletic director.

Athletic Fees

All Covenant student athletes that compete on a middle or high school team are required to pay an athletic fee of \$100 per sport. All fees are due to be paid in full prior to the team's first game in order for the student to be considered eligible. Athletic fees are non-refundable when joining the team. That includes quitting the team, injury, failing grades, etc. This fee will help defray the cost of state fees, uniforms, equipment, travel, etc. All paperwork and athletic fees must be in before the first game of the season. Until all paperwork and fees are paid, the athlete will not be eligible to play. Transcripts and final grades will not be issued until all uniforms/equipment is turned in.

Concession Stand/Gate

Every athlete's family will be required to volunteer in the concession stand and gate a minimum number of 3 times per sport. This is essential to be able to operate a successful concessions operation. If you are scheduled to work a particular time and are not able to fulfill your obligation, please contact the athletic department immediately. The proceeds from the concession stand and gate go towards the daily costs of running the Covenant athletic department and help keep the athletic fee to a minimum.

Team Parent

The Covenant Athletic Department will have a designated Team Parent for every team sport. Please consider helping out with this important responsibility and let the athletic director know if you're interested in assisting. The Team Parent duties will be as follows:

Pre-Season

- Check with the Athletic Director and coach to determine ways to assist and preferences for the parent volunteers
- Get phone numbers and e-mail addresses of all players and coaches.
- Coordinate with parents obtaining money for t-shirts, order forms, or other special events.
- Ensure that all Athletic Department forms have been turned in.

Weekly

- Check with coach for any information to be communicated to parents
- E-mail/call to remind parents of upcoming responsibilities (gate, concession, etc.) as well as team activities (transportation schedule, etc.).

Communication is the key to parents not becoming frustrated. Letting parents know via e-mail weekly/twice a week about changed practices, practices ending early, duties/responsibilities, changes to travel itineraries, times expected back to school after away games, etc. helps the season run a little smoother. ***We cannot overstate how important the Team Parent is to each and every sport! Please consider helping out!***

Uniform Responsibility

Uniforms are one of our largest expenditures as an athletic department, and so it is important that we try to maximize the life of these items. With that in mind, we ask that athletes and parents use the following guidelines when cleaning and caring for uniforms that they are issued:

1. Wash separately
2. Wash in cold water
3. Hang up to dry – DO NOT TUMBLE DRY!!
4. Do not make alterations unless given permission by the Athletic Director.

Uniforms become the responsibility of the athlete as soon as they are issued until the time that they are returned. ***Athletic uniforms are only to be worn for games, not practices or other functions and they are not permitted as part of your school uniform at any time.*** Any damage that is done during that period, other than normal wear and tear, is the responsibility of the athlete and will be billed to them accordingly.

All uniforms and equipment must be returned to the coach or athletic director within one week after the last game of the season. Any student-athlete who does not return uniforms and/or equipment will have his/her report card held and costs for replacement charged to his/her school bill. An athlete will not be allowed to participate in another sport until all overdue uniforms, equipment, and fees have been turned in. Any lost items will be billed to the athlete at full replacement value.

Early Dismissal

There are many times throughout the year when teams will travel before school ends for that day. This is because we have multiple sports in different districts stretching from San Antonio to Houston and it is inevitable that we will travel during school hours. If and when a team is to leave early to travel, they will be released by the Athletic Director or Administrator in the front office via intercom. Student-athletes are to remain in class until they are released. Once a student is released, they will have 15 minutes to be on the bus and ready to travel.

Transportation/Road Trips

Transportation is divided into two sections within the Covenant Athletic Department: practice transportation and game transportation.

For all practices that take place after the school day, we will provide transportation for students from their campus to the location of practice. Parents/families will then be responsible to pick their child(ren) up at the end of practice to go home. For practices that take place before the school day, it is the responsibility of the parents/families to get their child(ren) to the practice location and then the Covenant Athletic Department will provide transportation to their campus prior to the school day.

When it comes to away games/matches, we are committed to providing transportation to and from every contest for our athletes. However, due to our school's high involvement in athletics at the middle school and high school level, there may be times when more teams are traveling than transportation is available. In those cases, the athletic department will assist in arranging transportation with families to and from the athletic event. If this situation were to arise, it will be communicated with families well in advance of the actual date.

What the student-athletes are to wear on road trips or to away games is set by the coach of that sport. In any case, student-athletes need to be aware that they are representing their team, their school, and most importantly our Heavenly Father in the way that they act and the way that they dress. All students are expected to dress appropriately.

When transportation to away games is provided by the school, all team members, cheerleaders, managers, statisticians, and scorekeepers must travel to the game on the school bus or van. A student-athlete may ride home from an off-campus game with his/her parent(s), legal guardian, or a friend's parent(s) provided that the coach has been notified by written or verbal communication from the student-athlete's parent(s) or legal guardian prior to leaving the contest site.

Severe/Inclement Weather

Any changes to published schedules due to bad weather will be updated on our website as soon as an affirmative decision can be made. If lightening is present during an outdoor event, all parties must be moved indoors. The event can only be resumed if 30 minutes has passed since the last visual evidence of lightening. For outdoor practices, heat and humidity are closely monitored. Where possible, outside practices will be scheduled in the coolest times of the day.

Insurance Coverage

Covenant requires all student-athletes are to be covered under a family primary care/major medical health insurance policy in order to participate in any practices or games. *There is no supplemental insurance available to cover accidents to student-athletes.*

Lettering in Junior High Sports

Each junior high student-athlete will receive a participation certificate for each sport he/she plays in a given school year. Managers, statisticians, and scorekeepers will be honored with a participation certificate that outlines their contributions as well.

Lettering in Junior Varsity Sports

Each junior varsity student-athlete will receive a participation certificate for each sport he/she plays in a given school year. Managers, statisticians, and scorekeepers will be honored with a participation certificate that outlines their contributions as well.

Lettering in Varsity Sports

Varsity Letters are earned for significant contributions to a varsity team (not sub-varsity) either in playing time or servant-leadership. Being on a varsity roster does not mean that a varsity letter will be earned. Student-athletes in grades 9-12 can earn a varsity letter in a sport under any of these qualifications:

- 1) Playing/Participation Time – varies by sport as agreed upon by the Varsity Head Coach and Athletic Director. These requirements will be communicated to athletes and their parents at the beginning of each sport season.
- 2) Servant-Leadership – for those team members who do not meet the minimum playing time requirement, they may qualify for a varsity letter under servant-leadership by demonstrating commitment, positive attitude, and enthusiasm and serving the team in a significant way throughout the season, as decided by the Head Coach.
- 3) Completion of season – a team member must complete the season on the team's roster. If a player quits a team or is dismissed from a team, he or she will not qualify for a varsity letter. If an injury or season-ending injury impacts the minimum playing/participation time qualification, then it is up to the discretion of the Varsity Head Coach and Athletic Director to determine whether or not the playing/participation time qualification would have been met based on to-date contribution at the time of the injury.

Out of Season Expectations

During the school year, student-athletes are expected to give the in-season sport in which they are participating first priority over any type of off-season leagues or training. Any organized training for another sport during the season in which an athlete is participating (such as an open facility or league) should be cleared with the current in-season head coach.

During the summer, all 9th-12th grade athletes are expected to work on and develop their athletic abilities. Understanding that family and personal time take first priority during the summer, there are various opportunities for student-athletes to train when they can. If a student-athlete is in town and not committed to a family activity, it is assumed that he/she will be engaged in some sort of athletic development program.

Chain of Authority for Disputes

The Athletic Department does its best to run and organize our team and events in a manner that will allow all of those involved to receive the greatest possible enjoyment and benefit. However, we realize that just as in any other organization there will be times that certain problems, conflicts, and concerns arise. It is for that reason that we feel it is important to state up front our position on handling these situations.

We use Matthew 18:15-18 as our Biblical guide to handle such issues. If any parent, athlete, coach, teacher, or administrator has a concern over an athletic issue, they have a Biblical responsibility to go first to the person(s) that they have the concern about or with. It is our desire that any problems can then be cleared up and those involved can move on. If, however, this does not resolve the issue, then and only then, should the issue be brought to the attention of another person. For the record, the level of authority at Covenant is as follows:

1. Coach
2. Athletic Director
3. Principal/Administrator
4. School Board

It is important to not confront a coach before, during or after a game or practice. These can be emotional times and not best for resolving conflicts. A 24-hour waiting period is a must to address any concerns. After the 24-hour waiting period, a parent can contact the coach and set up a conference time to share his/her concerns.

Conclusion

It is my hope that this manual has addressed and answered many if not all of your questions about the Covenant Athletic Department. If at any point you have any other questions that are still not answered or are unclear, then please feel free to email me at zsimpson@covenantknights.org to set up a meeting.

Thank you for entrusting your children to this school, and I look forward to the privilege and responsibility of serving you and your family.

COVENANT ATHLETIC DEPARTMENT EXPECTATION COMMITMENT FORM

Expectations of Coaches

1. A structured and disciplined program that leads to unity and teamwork.
2. Personal attention given to each player to develop fundamentally sound sport skills.
3. Opportunity, as situations permit, for each player to play as much as possible without jeopardizing the team's ability to win a contest.
4. Consistent communication with teachers (grades and discipline).

Expectations from Players

1. A positive attitude and learning spirit.
2. Must maintain passing grades in all subjects. When a problem arises, immediately see your teacher; secondly, see your coach.
3. Continue to improve on conditioning and fundamental skills during the off season.

Expectations from the Parents

1. Practices are closed for parents to observe. As it is the coach's responsibility to lead and instruct the team, parents are asked to refrain from interfering with practice by "coaching" from the stands or interacting with the student-athletes. This is to minimize confusion as to who is given our student-athletes instruction.
2. At Home: Encouragement of your son/daughter in the development of his/her skills and his/her team spirit. Please, no negativism in his/her presence toward other players or his/her coach.

Athletes' Code of Conduct

The student who chooses to participate in the athletic program will be observed by many public and private schools, media, parents, guests, peers, teachers, and the public at large. Participating in athletics provides the opportunity to demonstrate one's desire to reflect Christ-like virtues in sportsmanship and in performance. In that regard, each Covenant student-athlete will be held to the following code of conduct:

1. After an athlete receives a suspension from school, the student will be suspended from his/her team for the next game. Further action will be at the discretion of the principal and/or athletic director.
2. A suspended athlete may participate in tryouts for a team, but may not actively participate in games until he has served a probationary period.
3. The use of profanity will not be tolerated. The use of profanity on or off the field may result in additional conditioning, a loss in playing time, or another form of punishment as agreed upon by the coach and athletic director.
4. Fighting during athletic events will result in a minimum two-game suspension. More severe discipline action may be enacted depending upon the circumstances.
5. Athletes are to be good representatives of Christ and Covenant on road trips. Failure to do so may result in suspension or dismissal from the team.

EXPECTATION COMMITMENT FORM (CON'T)

6. Covenant does not condone and will not tolerate "hazing" or "initiations" of athletes by other athletes. Any such actions will result in suspension and/or dismissal from the athletic team.

7. Any student-athlete that is ejected from a game will be suspended for the next game. If the student-athlete receives a second ejection, he/she will be suspended for two games. A third ejection will result in dismissal from the team and forfeiture of athletic privileges for the remainder of the school year.

Travel

All student-athletes are expected to travel to and from all practices, games and contests in transportation provided by or arranged by the school. Any exception to this must have prior approval from the coach. A permission slip must be signed by the parent/guardian and returned to the coach.

1. All vehicles must be left clean after each use.
2. The driver of the team vehicle is the ultimate authority, and all students must submit to his/her instructions.
3. No extra riders (non-team members) will be allowed to ride in the school provided vehicle(s).

NOTE: Any student-athlete who does not comply with the above mentioned travel rules will forfeit his/her right to travel with the team.

Equipment

The student-athlete will be held financially responsible for any lost or misplaced equipment. Current replacement costs will determine the amount for which the athlete will be held accountable. The cost of any uniform returned in a condition whereby it cannot be reissued will be charged to the athlete. This includes uniforms that have been improperly laundered, cared for, or stored. Athletes will not be allowed to continue in or begin a new season until all financial obligations have been cleared (unless other prior arrangements have been approved).

ELIGIBILITY COMMITMENT FORM**

Students who participate in co-curricular activities are responsible to keep up with their school assignments. The following guidelines meet or exceed all TAPPS requirements for extracurricular activity eligibility.

The Covenant Preparatory School operates under a "no pass, no play" policy. Eligibility grade checks will take place three times a year to determine each student's eligibility for co-curricular activities. Those times are as follows:

- Nine-weeks after the start of the first semester (Friday, October 20th, 2017)
- The semester break (Tuesday, January 16th, 2017)
- Nine-weeks after the start of the second semester (Friday, March 19th, 2017)

At the time grades are checked, any student with one or more F's will be deemed ineligible for three weeks beginning at 3:15pm on the day grades are checked. In order to regain eligibility, grades will be checked at 3:15 pm on the day the ineligible period is complete. If at that time the student is no longer failing any classes, he/she will regain his/her eligibility. If at that time they are still failing one or more class, another period of ineligibility will begin and grades will again be checked at the appropriate time: in one week for one F, and two weeks for two or more F's. This applies to all athletic teams, musical performances, and other co-curricular activities.

Student-athletes are required to continuing practicing with their team during their time of ineligibility. Students who are ineligible will not be permitted to travel with the team for out of town games. Progress reports have no direct impact on eligibility as progress reports are mainly intended to keep students on course and inform parents of areas that need attention.

In order for a student-athlete to participate on any given day in a team's practice, he/she must be in the classroom for at least half of the day. In order to participate in a game, he/she must be at school by the start of 2nd period and be in attendance the rest of the school day. Exception: A student who has a doctor, dentist, or orthodontist appointment must return to school before 3:00 pm and sign back in at the school office with a doctor's note verifying the appointment. Any other exceptions must have prior approval from the principal.

Covenant reminds each student-athlete that you as a Christian Student Athlete should display characteristics of such. We will abide by the highest standard. Covenant meets or exceeds all TAPPS requirements for extracurricular activity eligibility.

Recognition and Assumption of Risk Agreement Form

I, the undersigned parent/legal guardian of _____, authorize said child's full participation in the Covenant athletic program. It is my understanding that participation in the activities that make up the Covenant athletic program are not without some inherent risk of injury.

As such, in consideration of my child's participation in the Covenant athletic program, I hereby release, waive, discharge and covenant not to sue Covenant, the Athletic Department, or employees from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage or injury, including death, that may be sustained by my child, whether caused by the negligence of the releases, or otherwise while participating in such activity, or while in, on, or upon the premises where the activity is being conducted.

I also agree to follow all instructions and procedures in order to maintain a maximum level of safety. Covenant requires all student-athletes to be covered under a family primary care/major medical health insurance policy in order to participate in any practices or games. *There is no supplemental insurance available to cover accidents to student-athletes.*

I also give my permission for any emergency medical care or treatment by a physician, surgeon, hospital or medical care facility that may be required including transportation and accept responsibility for the cost.
