THE COVENANT PREPARATORY SCHOOL

AFTER SCHOOL ENRICHMENT

SPRING 2024

We are proud to offer classes that give students an opportunity to expand their knowledge and abilities while having fun. Get ready to run, jump, build, learn, create and have a blast!

REGISTRATION

Some class openings are limited to a specific number of students and age ranges. Registration for these classes is accepted on a first-come, first-served basis. Early registration is encouraged. Also, some classes require a minimum number of students in order to be offered. If the minimum number of registrations is not met, the class will be cancelled. Registration for the Fall semester enrichment program ends on Wednesday, January 31st. You will receive confirmation of your child's enrollment via email when the class has met the required number of registrations.

PLEASE USE THE REGISTRATION FORMS LOCATED IN THE BACK OF THE BOOKLET

Enrichment programs by outside vendors may cancel or change without notice, due to unforeseen circumstances.

- 1) Payment is due on or before the start of the second class. PLEASE do not pay until we know the class has enough participants and will take place.
- 2) Once class enrollment has been confirmed, your payment will be processed and must be paid via FACTS Parent Portal.

CANELLATION POLICY

After the first class, if your child does not want or is unable to attend the remaining classes, a refund will be given. We must be notified prior to the <u>start of the 2nd class</u> to be eligible for a refund. Thereafter, no refunds (full or partial) will be given. To obtain a refund, contact Gwen McCormick via email at gmccormick@covenantknights.org

CLASS SCHEDULES

Please check the class description for days and times. No classes will be held on school holidays.

STUDENT PICKUP

Please be considerate of the enrichment instructors by arriving to pick up your child on time. At 4:10 pm, students will be taken to Extended Care where an additional charge will be incurred. If your child cannot attend a class, please try to notify the teacher or the coordinator so that we are not expecting the child. This is for safety's sake.
