COLLEGE ESSAYS

The college essay is quickly becoming the single most important aspect of your university application. Generally, students only apply to the universities whose requirements they meet. That means, the only thing that will differentiate you and your application from the thousands of other applications is your college essay. Your Covenant advisor plays a vital role in the creation and refinement of your college essay.

Additionally, you will find the following resources to be beneficial:

Essay Hell – One of the best resources for writing the college application essay. You will want to spend some time looking at the topics that are part of Janine Robinson’s blog at <http://www.essayhell.com/>

“How to Write the Apply Texas Essays” The College Essay Guide
