

Good Morning Parents, Faculty and Staff,

It is hard to believe that it is already March - this year is flying by. I hope everyone has a wonderful Spring Break and that it provides a nice time of relaxation and refreshment for your family.

I wanted to provide an update on the Coronavirus. The CDC is working with state and local health departments to implement after-travel health precautions. They are currently suggesting that families who travel to China, Iran, Italy, and South Korea stay home for 14 days from the time the family leaves the area. This is a precaution to stop the community spread of the Coronavirus. Covenant is requiring the same precautions for returning to school after Spring Break. Additional information can be found on the CDC website: www.cdc.gov/COVIDtravel.

Thank you for your assistance in this matter as we seek to keep our Covenant community safe. Have a wonderful Spring Break!

Warm Regards,

Lorraine Hill
