

## FACTS Login Access for Covenant Families

FACTS, Covenant's School Management Software, gives you an opportunity to get more involved in your child's academic progress and future success – all via the internet or cell phone app.

FACTS Family Portal is a private and secure parents' portal that will allow parents to view academic information specific to their children, while protecting their children's information from others. You can see your child's grades, attendance, homework and conduct, as well as other useful school information. Order lunch for your child and even put money in your child's lunch account.

Family Portal has been updated so now it works with ALL web browsers.

Here is how you access the easy-to-use Family Portal.
