THE  
COVENANT  
PREPARATORY  
SCHOOL

---

EST. 1993

The Covenant Preparatory School values diversity and is pleased to offer international students desiring an education in the United States the opportunity to attend Covenant. Covenant's admission process is selective, our academic standards are high and international students are held to the same expectations as their American classmates. Proficiency in reading, writing and speaking English is essential for an international student.

Covenant is an SEVP approved school and is authorized to issue a Form I-20 for students that meet the requirements for admission and demonstrate English language proficiency. Proficiency in reading and writing in English is required.

For comprehensive information on studying in the United States, F-1 Visa requirements and applicable fees, please visit the [Student and Exchange Visitor \(SEVIS\) website](#)

Admission is open to International Students entering grades 8, 9, 10, and 11. Students at lower grade levels may apply if living with a relative already residing in the United States.

**PLEASE NOTE: Covenant does not provide housing, transportation, host homes, medical insurance or English as a second language for international students. Proficiency in reading and writing in English is required.**

### **Host Families**

Covenant does not provide host family services for international students. If searching for a host family, you may want to explore agencies that assist with matching students with local families. If you use an agency, it is important that they are aware of our location. Covenant is located in Kingwood, a suburb of Houston, Texas. The Houston area is quite large and public transportation to Kingwood is limited. You will need to be sure that the host family lives within reasonable driving distance of the school.

One company that our students have used in the past is [American Homestay Network](#). **Please carefully evaluate any agency that you contract with to assist you in locating a host family.**

### **Student Insurance**

I-20 students must purchase insurance while in the United States. It is up to the student's family to purchase insurance from a provider of your choice.

## **International Student Fees**

Application Fee                      \$575.00 (Non-Refundable)

\*Registration Fee:                      \$2,500 International Student Fee\*
