On July 19, 2021, the board met at the Covenant Campus on Hamblen Road. There were two items of the board's agenda: one, review of Nathan Lino's application for the Board of Covenant Preparatory School. Lorraine Hill, Head of School, and Pastor Nathan Lino were present for this session. The board reviewed the application, and each member was allowed to ask the candidate questions.

After the candidate review, Ms. Hill and Pastor Lino were dismissed from the meeting. The board's second item was the Head of School annual review. Shaun Dean led this evaluation, with each member contributing to the review and offering insights.

The third item of business was to vote on board candidate Nathan Lino. Jeff Rogers made the motion that Nathan Lino be added to the board as a member. Kyle Lipstreu made the second. The motion carried. With no further business, the meeting adjourned.

Respectfully Submitted,

Jeff Rogers,  
Board Secretary
