

SUMMER 2023

READING CHALLENGE RULES

In order to earn a gold, silver or bronze medal for reading this summer, students will need to:

- Read any book from current or previous grade level. *[Ex: Students entering 3rd grade in fall 2021 can select titles from both 2nd and 3rd grade lists.]*
- Once silver goal is met, students can read books off the lists.
- Each book read may be counted only once.
- Record the title, author, brief summary¹ (if necessary parents may write what their incoming 1st grader dictate) and number of pages for each book read on the Reading Log. (Additional reading logs can be found on school website.)
- **Please make sure to record the number of pages from a physical book, NOT from an electronic reading device. [Note: Books can be read on an electronic reading device, but *only physical book pages* may be recorded. Why? *One physical book page may equal several digital book pages.*]**
- Parents need to initial each book recorded on the log
- **Complete the Summer Reading Challenge Participation Form and submit with all reading logs by end of day, Monday, August 28, 2023.**
- ***NO LATE LOGS WILL BE ACCEPTED.***

READING GOALS

Goals for Incoming 1-3	Goals for Incoming 4-5	Goals for Incoming 6
Gold Medal = 750 pages	Gold Medal = 1200 pages	Gold Medal = 1500 pages
Silver Medal ³ = 550 pages	Silver Medal ³ = 800 pages	Silver Medal ³ = 1200 pages
Bronze medal = 350 pages	Bronze medal = 600 pages	Bronze medal = 800 pages

¹ Summaries are **only** required for books read to achieve bronze, silver and gold medals.

² All students who participate in the program, regardless of pages read, will be recognized.

³ Once Silver Level is completed, students may read any book of their choice.
